Quick Relief Juniper Cough Drops!

The immensely increasing demand for these Cough Drops, and their wonderful popularity, are entirely due to their intrinsic merits, not only as producers of a fine clear voice, but as an effectual remedy for all Chest Affections. Sore Throat, arising from cold seems to disappear as if by magic. Tickling in the Throat or Hoarseness is removed by allowing a few drops to gradually dissolve in the mouth. Indeed, debility and weakness of the Vocal Organs are unknown to those who regularly use these valuable drops.
